REMARKS

This Amendment is being submitted together with payment of the Issue Fee in the subject application in response to the Notice of Drawing Inconsistency with Specification and Notice of Allowance, dated May 29, 2007. An amendment to the Brief Description of the Drawings is being submitted to correct the inconsistency found. No new matter has been added.

It is respectfully submitted that this Amendment should be entered since no changes have been made to the subject application that would affect the scope of the claims as allowed.
